- ✿ Prompt start at 9.00 am to a packed event
- ✿ More details on all Keynote and Guest Speakers presentations [here](#).
- ✿ Full information on Project Sacred World and the Essence [here](#).
- ✿ In the Project Sacred World Facebook Community, we have been building the vibrational energy for the essence for animals worldwide for many months through small research groups and sub community projects. There have been many beautiful and loving messages from our members. These have been placed on tree branches that you will see in the conference room.
- ✿ Delegates may wish to add their own messages and love into the essence over the 2 days. Labels can be obtained at the conference desk on arrival and you are invited to place them on the branches with loving thoughts and positive intentions.
- ✿ If you are purchasing the Essence through the conference, there is an accompanying e-book for only £2.00 with full details about the essence and how to use it and how to follow up. All proceeds go to the Skiathos Cat Welfare Association. Purchase your e book [here](#) for charity.
- ✿ Another project that is running throughout is 'Messages to the Future' for our Animals. If you believe you can make a difference to helping animals then consider writing your thoughts and they will be encapsulated in the website Time Capsule. They will be locked away for 5 years and revisited in May 2022. Downloads to write and share your thoughts are available [here](#). You can then forward to Marie
- ✿ There is a Speaker and Delegate Facebook page where you are welcome to join and be the first to register for very special VIP tickets for 2018. If you are not a member with us then please feel free to join us on Facebook [here](#).
- ✿ We are so blessed that we will have doggy delegates throughout the conference and this year we have some Emotional Assistants if anyone feels stressed or their animal companions are. They will be made known at conference if you need help for yourself or companion.
- ✿ The hotel is pet friendly in the conference venue room 'The Conservatory' and through the Gala Dinner evening. There are beautiful walks around The Craiglands particularly at the back of the hotel up towards the hills with views over Ilkley and the famous Cow & Calf Rocks
